

Topic: Generate Teamwork and Achieve Goals Through Incentives

How can you achieve product goals while consistently creating a bond and a common goal amongst employees?

How do you motivate the team day in and day out without the loss of customer experience?

Please Join me as I share what has worked for MTA.

Speaker: William Spear - Sales Manager, MTA

William has been with MTA for 15 years having held positions in Support, Field Services, IT, Service Delivery and Sales. William has gained an immense knowledge base that aids in creating and adjusting past, present and future products and services to help customers live a healthier connected life.
